Dear Victoria,

We have been debriefing this morning for our training sessions this week at your facility and the consensus is an overwhelming approval of every aspect of our event. The attendees were very pleased with their accommodations, the casual breakfast area, the superb meals and snacks, and the warm atmosphere throughout. Along with the advantage of a smaller facility with many open spaces was the professional attention we received from all of your staff. Friendly, courteous, capable and an evident wish to make our stay a pleasant one was the most valuable benefit for us all.

Our guests from out of town and out of the country (Australia, Switzerland and Mexico) felt the warmth of Santa Fe enlivened in your staff and your clean, generous, homey atmosphere.

I offer our enthusiastic endorsement to any other groups who would like to utilize your facility for group events such as ours that benefited from the casual, personal tone that we needed for our training. We appreciate your energy and attention to our needs!

Warm regards,
